

GROCERY SHOPPING

Dear School Families,

As many of you know, we are involved in the gift certificate program that enables the school to receive funds from the sale of the gift cards we offer. All proceeds received from these sales goes to the school to help keep tuition cost down. We all make regular household weekly, bi-weekly, or monthly purchases of groceries, toiletries and gas. Imagine the savings the school would receive if we all took advantage of this option!

To make it more convenient, we are now offering a delivery of gift cards through your child at school with prepaid orders. **Please be aware that once the school delivers your order to your child, the school/parish is not responsible for any order that is lost, stolen, or misplaced. Your order form will need to be signed, acknowledging this in order for delivery to take place.**

If you prefer, you can also send your order in advance and designate what day you will pick it up at the Parish Office. You will be assured of receiving your order and you can also double check your order at that time to make sure it is correct!

If we all make the effort, we could really pull in some needed funding for the school and keep tuition cost down!

Thank you for your help with supporting this ongoing fundraising option.
