PRESIDENT'S MESSAGE

CAROL DELOOZE – 440-394-8246

I wanted to start the New Year out with a feel good/true story. We all have our special traditions and favorite recipes, we share with loved ones. Grandma Julie does this every year with her five year old granddaughter. While baking and sharing stories and asking questions, her granddaughter commented, "Grandma, this is fun, we do this to make and share it for the people we love, right?" "Yes", said Grandma. "And Grandma, when it's someone's birthday all year we make that person a birthday cake to celebrate their day and show how special and loved they are." Grandma answered, "That's so right!" "Well, Grandma, can we make Jesus his very own special birthday cake?" Out of the mouths of babes. Knowing a five year old has just begun a new-born tradition in their family. Enjoy both recipes for the years to follow.

*With Love and In Friendship,
Carol*
